Information about the accommodation booking situation for Zukunft Personal 2018

Dear Exhibitors,
the Zukunft Personal in Cologne in 2018 will take place parallel to the exhibition dmexco:

dmexco Timings

Construction / Set-up: Fri., 07/09/2018 – Tue., 11/09/2018
During the exhibition: Wed., 12/09/2018 & Thurs., 13/09/2018
Dismantling: Thurs., 13/09/2018 – Sat., 15/09/2018

Due to the parallel events, the contingents for accommodation in Cologne are already limited at this time. ***We would therefore recommend you to already look after accommodation for your fair team in Cologne now.***

Please feel free to use our [booking portal](#).

We also recommend you to search for suitable accommodation in the following neighbouring cities:

- Leverkusen (about 16 minutes by train)
- Bergisch Gladbach (about 18 minutes by train)
- Düsseldorf (about 20 minutes by train)
- Bonn (about 25 minutes by train)

Furthermore Cologne's neighbouring towns Hürth, Pulheim, Dormagen, Siegburg, Kerpen, Brühl or Frechen are perfectly connected to the rail network and will take you directly to the exhibition grounds in 20 to 30 minutes.
